

GEOPHYSICS

The Journal of the SOCIETY of EXPLORATION GEOPHYSICISTS

Dear Author:

Please provide a **two-sentence** summary of what you consider to be the significant message of your paper. It will be used to assist the editor as he prepares This Month in GEOPHYSICS for the issue in which your paper will appear. If you need assistance in writing a summary, please consult a recent issue of GEOPHYSICS for examples. We also welcome your feedback on the style, content, and desirability of this feature. Thank you.

Authors: _____

Title: _____

In addition, we MUST have the summary (and biographies, if provided) in electronic form on your accompanying disk. Thank you.

Summary (please type and double-space):
