**Charges for color pages are mandatory if none of the authors is an SEG member in good standing.**

**Nonmembers** - Please check the following box and sign your name below.

- I am not a member of SEG. I agree to pay color charges at the rate of \$350 per color page.

Signature: \_\_\_\_\_

**For SEG members, color charges of \$350 per page are voluntary for the first two (2) pages of color.** Additional color pages incur a mandatory charge of \$350 per color page. Although color charges are important to the financial support of the journal, failure to pay voluntary color charges will not prejudice acceptance of a paper.

**SEG Members** - Please check one of the following boxes and sign your name below.

I am a member of SEG. As such,

- I agree to pay color charges at \$350 per page for each page of color in my paper.
- I am unable to pay the full voluntary color charges, but I agree to pay a lesser amount of \$\_\_\_\_\_ per color page for the first two (2) pages of color. I also agree to pay color charges of \$350 per page for the third and each subsequent color page in my paper.
- I am unable or unwilling to pay the member voluntary color charges but agree to pay color charges of \$350 per page for the third and each subsequent color page in my paper.

### Billing

Color charges will appear on the final invoice for the publication of the manuscript.

To order reprints, please use the form that accompanies the galley proofs.

**Please note color charges are in addition to GEOPHYSICS page charges.**

There are no mandatory charges to members or nonmembers for case histories and tutorials.
